

## June 2016 registration assessment performance data

The following data shows the pass rate of candidates who sat the GPhC registration assessment **for the first time** in June 2016, according to training provider. Please note that:

- Where a candidate has trained with more than one provider, their results are included in figure for the training provider they spent the most time with.
- Training providers with less than 13 candidates have been combined into 'Other' to avoid identifying individual candidates.
- 'Cohens' data includes Gorgemead Ltd and Marsh (Bolton) Limited.
- 'Day Lewis' includes Day Lewis Plc, ABC Drug Stores Ltd, AMG Healthcare Limited, Tayzana Ltd, Day Lewis Chemists Ltd and H Carson Limited.
- 'Well' Includes Bestway National Chemists Limited, Bestway Panacea Healthcare Limited and West Midlands Co-operative Chemists Ltd.
