29<sup>th</sup> September 2013

Dear Ms Martin,

Re: Reaccreditation of the Robert Gordon University MPharm degree

Further to the School's reaccreditation event in March 2013, I would like to confirm that we accept the report and record as an accurate representation of the meetings held. Please accept this letter as our formal response to meet the requirement of the Pharmacy Order 2010.

We are delighted to have been reaccredited for a period of 6 years with no conditions or recommendations and are pleased that the panel recognised our Interprofessional Education programme as an area of strength.

We would like to thank the accrediting panel for their professionalism and for facilitating staff and students in articulating our approach and the strengths of our MPharm course. We found the process rigorous and fair and whilst the preparation of documentation for the visit was an onerous process, we feel that it has strengthened our provision. We feel the reaccreditation visit enabled us to demonstrate our collegiate approach to course development and delivery and our enthusiasm for our new MPharm course.

We look forward to welcoming you to our new facilities at Riverside East at our interim visit in 3 years time.

Yours sincerely

Prof. Don Cairns  
Head of School
