Dear Mrs McSimpson

Aston Independent Prescribing Reaccreditation 2017

Thank you for your letter dated 14th July 2017 confirming that the Aston University independent prescribing programme remains fully accredited until July 2020.

I would like to take the opportunity to thank the Accreditation Team for their time and thoughtful advice. We look forward to providing the Clinically Enhanced Pharmacist Independent Prescribing (CEPIP) programme – approved by Health Education England – to future cohorts.

Yours sincerely,
