Dear Ms Martin

**Re: Reaccreditation of University of Bath MPharm programme**

Thank you for your letter of 11<sup>th</sup> July, and the enclosed report along with the record of our reaccreditation event in April. I would like to confirm that we accept the report and record as an accurate representation of the meetings held. Please accept this letter as our formal response to meet the requirement of the Pharmacy Order 2010.

We are delighted to have been awarded reaccreditation for a full six years without any conditions or recommendations and look forward to an interim visit in 2018-19. May I thank you and the rest of GPhC team for the efficient and convivial way in which the reaccreditation event was conducted.

Yours sincerely

Stephen Ward  
Head and Professor of Leukocyte Biology
