1<sup>st</sup> August 2017

Dear Ms Martin

## **Re: MPharm Step 7 accreditation at the University of Birmingham**

Thank you for the record and report documentation outlining the proceedings and findings of the recent part one and two of the Step 7 accreditation events held in January and June 2017 at the Medical School, University of Birmingham. We would like to confirm that we accept the documents as accurate and fair summaries of the events.

Please accept this letter as our formal response to meet the requirement of the Pharmacy Order 2010.

We were very pleased with the outcome of the Step 7 meetings, which resulted in our 4-year MPharm course achieving full accreditation for the maximum 6 years with no conditions or recommendations, thus completing our accreditation process successfully.

The College and Pharmacy staff at the University of Birmingham would like to thank the accreditation team for all of their diligent, rigorous work associated with the accreditation process.

Yours sincerely,

Professor John Marriott BSc, PhD FRPharmS, FHEA  
Head of School of Pharmacy  
Professor of Clinical Pharmacy  
University of Birmingham
