

Declaration of interests

Alastair Cannon

FtP Deputy Chair non LQ

October 20

I am required to complete and regularly update a declaration of interests form to register my financial and other interests that could potentially conflict with my GPhC role above. I have provided an up to date list of my interests below.

These include:

- direct financial interests
- indirect financial interests which relate closely to GPhC activity
- non-financial interests
- interests of those close to me –any financial and non-financial interests of close family members and people living with me that could be thought of as relevant to GPhC activity
