

Ms Alia Ibrahim

Community Locum Pharmacist, Various Pharmacies, Wales

Alia is a newly qualified pharmacist, she joined the register of pharmacists in August 2017. She currently practises as a community pharmacist and has worked for both large pharmacy multiples and smaller independent pharmacies across Wales.

She completed her pre-registration training in the community pharmacy sector with a large pharmacy multiple. Following her pre-registration year Alia worked as a private tutor for pre-registration pharmacists. She provided support with study and preparation for assessments on a one-to-one basis.

Alia graduated from Cardiff University, School of Pharmacy and Pharmaceutical Sciences in 2016 with first-class honours. Due to her interest in neurodegenerative disorders, Alia completed a research project on canonical Wnt signaling in Alzheimer's disease. She later became a registered Dementia Friend in order to continue supporting patients in her practise as a pharmacist.
