

Miss Bethan Sheppard

Specialist Rotational Pharmacist, University Hospital of North Midlands

Bethan is a recently registered pharmacist, with a background in hospital pharmacy. After graduating from Keele University in 2015 with a first class honours, Bethan completed her pre-registration year at Birmingham Children's Hospital. After this, Bethan began working as a rotational pharmacist at the University Hospital of North Midlands.

Bethan has recently completed a postgraduate diploma in clinical pharmacy practice.

Bethan has a keen interest in the promotion of safe prescribing and is involved in educating both medical students and staff members in this area.
