

Miss Sekemi Akinode

Relief Pharmacist, Boots

Sekemi joined the register of Pharmacists in 2017. Upon qualification she worked as a locum pharmacist before joining Boots as a Relief Pharmacist for North West London. As a Relief Pharmacist, she is responsible for working within multiple locations to ensure high standards of patient care and services are delivered on a consistent basis.

Sekemi has over four years work experience in community pharmacy and completed her pre-registration year at Saville Chemist.

Sekemi graduated from the University of Nottingham in 2016 with a First Class Honors. She has a real passion for pharmacy education and based her final year research project on how different teaching methods affect students learning, engagement and enjoyment of the pharmacy course, which was awarded a First Class.
