Dear Ms Martin

Re: Step 1 accreditation of 5-year MPharm degree course at the University of Birmingham

Thank you for the record and report documentation outlining the proceedings and findings of the Step one accreditation event held in December 2017 at the Medical School, University of Birmingham. We are very pleased with the decision that the University of Birmingham is permitted to move to Step 2 of the accreditation process for new MPharm degrees without any conditions.

We would like to confirm that we accept the documents as accurate and fair summaries of the events.

Please accept this letter as our formal response to meet the requirement of the Pharmacy Order 2010.

The College and Pharmacy staff at the University of Birmingham would like to thank the accreditation team for all of their diligent, rigorous work associated with the accreditation process.

Yours sincerely,

Professor John Marriott BSc, PhD FRPharmS, FHEA
Head of School of Pharmacy
Professor of Clinical Pharmacy
University of Birmingham
