**Re: Reaccreditation of L2 support staff courses**

Dear Mr McKendrick,

Thank you for confirming the reaccreditation of our Medicines Counter Assistant and Dispensing Assistant courses and accrediting our Healthcare Assistant course for the next three years.

We agree the accreditation reports are an accurate reflection of the meetings with the panel.

Please extend our thanks to your team and the accreditation panel for their fair and thorough approach throughout the process.

Kind regards,

Vanessa Kingsbury  
Managing Director
