

Accreditation and Recognition panel member

Name: Christine Walker

Team member

Job title: Clinical Pharmacist

Christine is a recently registered pharmacist. She is currently working as Lead Pharmacist for Paediatric Cystic Fibrosis in the Royal Belfast Hospital for Sick Children, having previously held a variety of roles both in Northern Ireland and the East of England. Prior to this, she completed her pre-registration training as a split-post between industry and hospital, following graduation from Queen's University, Belfast.
