Mark Hammond

I am required to complete and regularly update a declaration of interests form to register my financial and other interests that could potentially conflict with my GPhC role above.

I have provided an up to date list of my interests below. These include:

- financial interests – direct
- financial interests – indirect and relating closely to GPhC activity
- non-financial interests
- interests of those close to me –any financial and non-financial interests of close family members and people living with me that could be thought of as relevant to GPhC activity

I am aware that, in addition to providing this list, I am also required to declare any interests at the start of any GPhC meeting where any particular interest conflicts with some or all of the business to be discussed at that meeting.
