

Declarations of interest, gifts and hospitality

Nigel Clarke

I am required to complete and regularly update a declaration of interests form to register my financial and other interests that could potentially conflict with my GPhC role above.

I have provided an up to date list of my interests below. These include:

- financial interests – direct
- financial interests – indirect and relating closely to GPhC activity
- non-financial interests
- interests of those close to me –any financial and non-financial interests of close family members and people living with me that could be thought of as relevant to GPhC activity
