Dear Joanne,

Re: Reaccreditation of the MPharm degree course at the University of Hertfordshire

I am writing to formally acknowledge receipt of your letter dated 9th July 2019 confirming accreditation of the MPharm degree at the University of Hertfordshire for a further period of six years, with no conditions or recommendations. I can confirm that the record and the report are a true and fair record of the visit.

We would like to take this opportunity to thank all of the General Pharmaceutical Council team for the manner in which the visit was conducted. We appreciate their thorough and professional approach and it was a pleasure to work with them. We are delighted with the outcome and very grateful of the advice and support offered during the event.

Yours sincerely
