

Launch of the pharmacy inspections website and learning from inspections report

Social media guide

Please help us to spread the word about our new pharmacy inspection reports website and our report sharing what we have learnt from carrying out over 14,000 pharmacy inspections. For your convenience, find below a selection of pre-written social media posts incorporating the official hashtag: #PharmacyInspectionReports, and the short URL which links to the new inspection reports website.

General

@TheGPhC is publishing #PharmacyInspectionReports for the first time on a new website. Find out more >> <http://ht.ly/kvo430pxzgk>

Find out if a pharmacy inspected since April 2019 has met or has not met all of the standards for registered pharmacies. Visit @TheGPhC's new inspection report website now to find #PharmacyInspectionReports >> <http://ht.ly/kvo430pxzgk>
