

## June 2018 Registration Assessment Performance Data

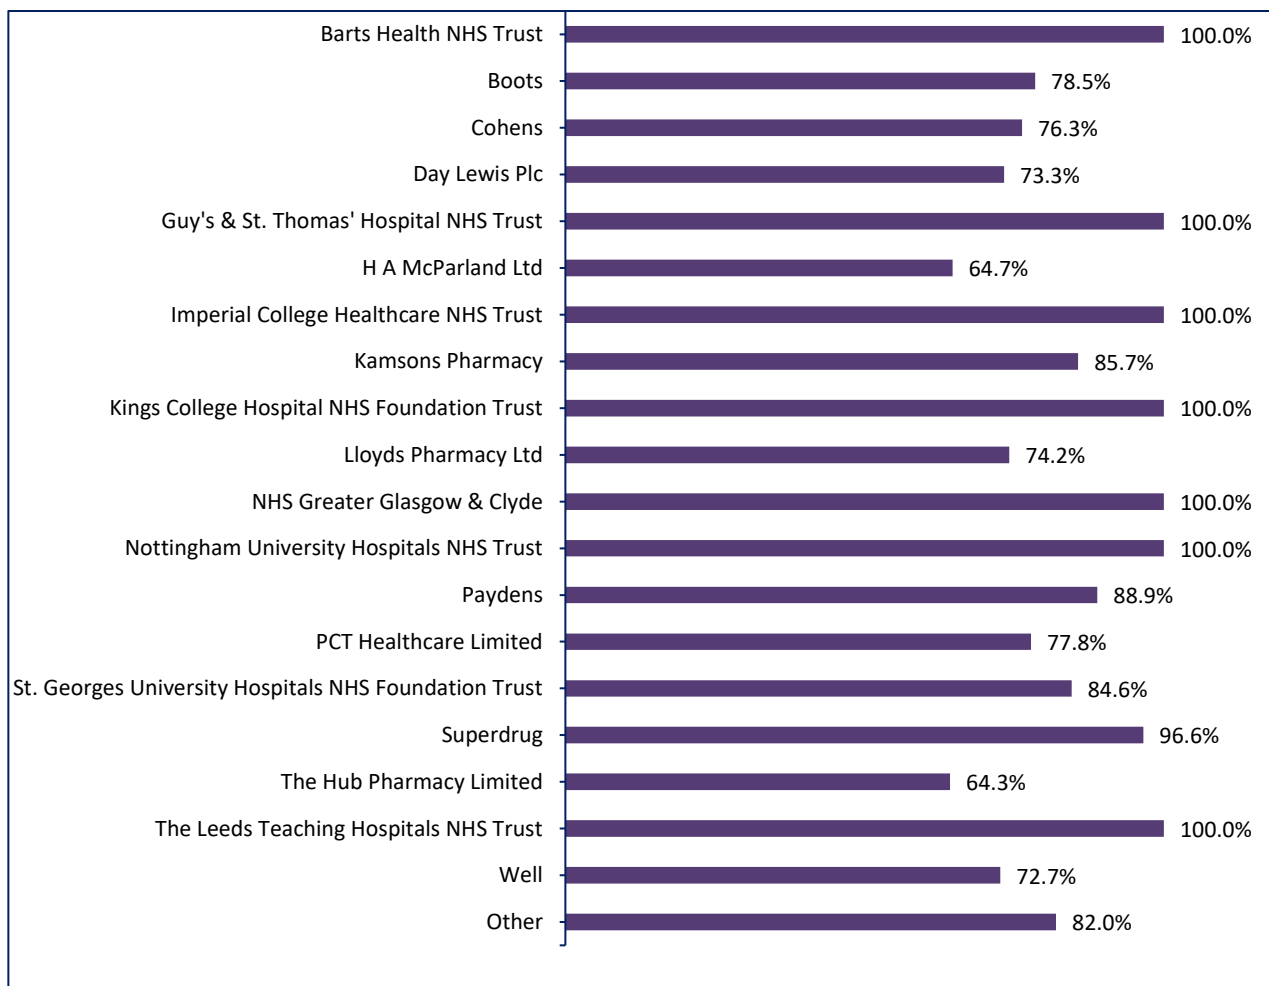

The following data shows the pass rate of candidates who sat the GPhC registration assessment for the first time in June 2018, according to training provider. Please note that:

- Where a candidate has trained with more than one provider, their results are included in the figure for the training provider they spent the most time with.
- All first-time sitters are included, even if they completed their training with the training provider in a previous year.
- If equal time has been spent at multiple providers, their results are included in the figure for the most recent training provider held on record.
- Training providers with less than 13 candidates have been combined into 'Other' to avoid identifying individual candidates.
- 'Day Lewis Plc' includes A M G Healthcare Limited, ABC Drug Stores Ltd, Tayzana Ltd and Day Lewis Plc.
- 'Paydens Ltd' includes A & S Shillam Limited, Canterbury Pharmacies Ltd, Worthing Pharmacies Limited and Paydens Ltd.
- 'Well Pharmacy' includes Bestway National Chemists Limited and West Midlands Co-operative Chemists Ltd and Well.

### June 2018 registration assessment: first attempt candidates' percentage pass rate by training provider
