

Accreditation and Recognition panel member

Name: Leanne Bartholomew

Team member

Job title: Senior Medicines Management Pharmacy Technician, West Suffolk CCG

Leanne has gained a wealth of experience as a pharmacy technician since qualifying in 2001 and became a registered pharmacy technician in 2005, when the voluntary register for pharmacy technicians was introduced. She began her career in community pharmacy before moving to GP surgery, Ministry of Defence and currently works as a Senior Medicines Management Pharmacy Technician at West Suffolk CCG, as well as assessor and IQA for Pharmacy at West Suffolk College.

Leanne completed the Certificate in Medicines Management for Pharmacy Technicians in 2014 and has experience in supporting the registration and development of technicians, developing clinical pathways and protocols, antimicrobial stewardship and cross-team working with GP practices, PCNs and hospitals. She also holds an ILM level 3 qualification in People and Project Management.

Leanne has a keen interest in the professional support and development of pharmacy technicians and support staff, and is involved in supporting pharmacy professionals in primary care.
