

Accreditation and Recognition panel member

Name: Laura Doyle

Team member

Job title: Head of Undergraduate and Foundation Pharmacist, Health Education and Improvement Wales

Laura has been working as Head of Undergraduate and Foundation Pharmacist at HEIW (and formerly WCPPE) for 10 years. Within this time, she has been transformed the foundation training programme in Wales as well as supporting the evaluation of the multi-sector foundation training programme. She has most recently been working with the Higher Education Institutes in Wales to develop the Funded Undergraduate Placement Programme through the implementation of Entrustable Professional Activities as well as developing the changes required in Foundation training so that trainee pharmacists can prescribe upon registration from 2025/26.

She also works at the School of Pharmacy and Pharmaceutical Sciences at Cardiff University developing and delivering bilingual teaching on the MPharm programme.
