

Accreditation and Recognition panel member

Name: Mira Jivraj

Team member

Job title: Pharmacy Team Lead - Medicine, Northwick Park Hospital

Mira has been registered as a pharmacist since 2000 and has predominantly worked in an acute hospital setting as a clinical pharmacist and in managerial roles. During this period Mira has undertaken a variety of roles that have enabled a strong understanding of the medicines use process along with an appreciation of the challenges faced by both patients and NHS services in obtaining the best from medicines.

Mira is an independent prescriber and has led on the NMP agenda on behalf of her NHS trust and has a keen interest in the education of early career pharmacists and has for a number of years been the trust lead for the Joint Programs Board (JPB) pharmacy diploma.
