

Accreditation and Recognition panel member

Name: Marianne Rial

Team member

Job title: Academic Quality Lead and principal lecturer, University of Hertfordshire

Marianne completed her BPharm degree at the University of Nottingham. She has a broad experience of working in community, hospital and primary care settings. Specialising in oncology and palliative care, she completed an MSc in Palliative Medicine in 2008.

Marianne started working at the University of Hertfordshire in 2011 and is currently a principal lecturer in clinical pharmacy practice. She is departmental Academic Quality lead and is a key member of the MPharm programme team. Marianne is a senior fellow of Advance HE (formerly Higher Education Academy) and is currently undertaking a PhD in pharmacy education.
