

Permitted items in the 2019 registration assessment

As per registration assessment regulation 4.6, only permitted items may be present on a candidate's person, or accessible to a candidate on, or within the vicinity of, the assessment desk, unless permitted by the adjustments panel in advance of the sitting through the reasonable adjustment process.

Candidates are responsible for providing the following items:

- Approved photographic ID
- Approved calculator(s) – PART ONE PAPER ONLY.
- Pencil
- Pencil eraser
- Pencil sharpener
- Ruler
- Highlighters (maximum of 2, and no packaging)
- Glasses/spectacles with no case
- Water and non-fizzy drinks
- Cough sweets or other medication/sustenance if you have a medical condition (un-boxed and an appropriate quantity for the duration of assessment)
- Tissues (unpackaged)

The following are the GPhC approved calculators that candidates can use in **PART ONE**. All other calculators are not permitted, and cannot be used in the assessment.

- Casio MX-8S-WE (also known as MX-8S)
- Casio MX-8B (in black or white)
- Aurora DT210
- Aurora HC133
