

Accreditation and Recognition panel member

Name: Simmy Daniel

Team member

Job title: Education & training lead and Clinical lead pharmacist at East London NHS Foundation Trust

Simmy currently works in a dual role as the education and training lead for pharmacy and also as the Tower Hamlets clinical lead at East London NHS Foundation Trust. Previously, Simmy has worked in other acute and mental health hospitals since 2013- so has an appreciation of both sectors.

Simmy currently cover psychiatric intensive care units as part of her clinical work and also worked at a memory clinic as an independent prescriber. Simmy has a strong background in developing education and training for pharmacists, pharmacy technicians, and support staff which includes workforce development.
