Dear Chris,

**Re: Level 2 reaccreditation of the Dispensing Assistant programme, the Looking After Dispensary Stock programme, the Medicines Counter Assistant programme, and, the accreditation of the Combined Pharmacy Assistant programme**

Thank you for your letter confirming the reaccreditation and accreditation of the above programmes for a period of three years. I confirm that the accreditation reports are an accurate representation of the reaccreditation/accreditation meeting.

Thank you to you and the team for their hard work throughout the reaccreditation/accreditation process.

Yours sincerely,

Rachel Marchant
