Dear Ms Martin

**Re: Step 1 accreditation of a 5-year MPharm degree course at the University of Bath**

Thank you for your letter of 10th May, and for allowing us further time to furnish contractual agreements with our placement providers.

Please find enclosed copies of Agreements of Cooperation between the University of Bath and Day Lewis plc, and University Hospitals Bristol (Pharmacy Department).

I would like to confirm that we accept the report and record as an accurate representation of the meetings held on 1<sup>st</sup> February. Please accept this letter as our formal response to meet the requirement of the Pharmacy Order 2010.

We are delighted to be permitted to progress from Step 1 to Step 2 of the 5-year MPharm accreditation process. May I thank you and the rest of GPhC team for the efficient and convivial way in which the accreditation event was conducted in February.

Yours sincerely
