Thank you for your letter dated 06/07/2018 confirming the reaccreditation of our Pharmacist Independent Prescribing programme for a further period of three years with no conditions or recommendations until July 2021. We are delighted with this news.

I would like to thank the General Pharmaceutical Council and the accreditation team for their constructive discussions during the meetings and the supportive feedback provided in the report.

If you require any additional information, please do not hesitate to contact me.

Yours sincerely,
