Re: University of Sussex Step 7 Accreditation visit – Formal Response

Dear Damian,

Thank you for your recent letter confirming the outcome of our Step 7 Accreditation event held at the University of Sussex on the 14th May (part 1) and 1st July (part 2). Thank you also for sending the formal accreditation report. In order to meet the requirements of the Pharmacy Order 2010, please accept this letter as our formal response and confirmation that we accept that the accreditation report is an accurate account of the Step 7 accreditation event.

We would like to thank the GPhC accreditation team for their constructive advice and feedback during the accreditation process and we look forward to welcoming the team back for the checking visits in relation to the closure of the MPharm in 2020-2021.

Best wishes,

Yours sincerely,
