Dear Miss Clapham,

**University of Manchester Independent Prescribing Reaccreditation 2017**

Thank you for your letter of 22 September 2017 confirming that The University of Manchester independent prescribing programme remains fully accredited, without conditions or recommendations, until September 2020.

We can confirm that the record and report are accurate and fair summaries of the event, and offer this letter as our formal response to meet the requirement of the Pharmacy Order 2010.

I should like to take the opportunity to thank the Accreditation Team for their consideration of our submission, helpful discussions during the meeting and constructive advice. We have made a number of changes to programme documentation, as discussed during the meeting, and look forward to increased provision over the coming years.

Yours sincerely,

Dr Ellen Schafheutle  
Director of Postgraduate Teaching and Learning
