Dear Ms Mendel,

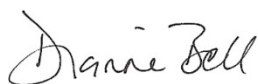

Re: University of Manchester Independent Prescribing Reaccreditation 2020

Thank you for your letter of 8 February 2021 confirming that The University of Manchester independent prescribing programme remains fully accredited, without conditions or recommendations, until February 2024.

We can confirm that the record and report are accurate and fair summaries of the event, and offer this letter as our formal response to meet the requirement of the Pharmacy Order 2010.

I should like to take the opportunity to thank the Accreditation Team for their consideration of our submission, helpful discussions during the meeting and constructive advice. We look forward to delivering future cohorts under the new standards.

Yours sincerely,

Mrs Dianne Bell
