Dear Philippa

**Reaccreditation of Pharmacist Independent Prescribing programme**

Thank you for your letter dated 27th July 2016 confirming the reaccreditation of our Pharmacist Independent Prescribing programme until August 2019. The accreditation report and record has been scrutinised by the Prescribing Studies team and is now accepted as a being a true report of the reaccreditation process. We thank you for giving us the opportunity to comment on the original reports.

We are pleased to read that our response to the imposed condition has satisfied the accreditation team. We have also discussed the recommendations that were made and will be implementing changes to our programme to address these.

Finally I would like to thank the GPhC reaccreditation team for conducting the reaccreditation event in an open and transparent manner and for allowing constructive discussions regarding the course.

Kind regards

Jacqui Kinsey  
Director of Prescribing Education
