Dear Jenny

MPharm Degree Interim Visit Kingston University, 24-25 February 2016

Thank you for the report, which I confirm is a true record of the interim visit on 24 – 25 February 2016. This aligns well with our strategic plan for our Pharmacy provision at Kingston. I can confirm that, as part of our ongoing investment in Pharmacy, new academic posts above and beyond those mentioned in the report have been approved. As requested in your condition please find attached an approved business plan which contains more detail.

We would like to thank the GPhC team for the professional and constructive manner, in which the visit was conducted, and their supportive approach and helpful suggestions.

Yours sincerely,

Christopher J Cairns
