

Previously accredited pharmacist prescribing programmes

In order to work as a pharmacist prescriber, a pharmacist must hold the relevant annotation on the register. In order to apply for annotation a pharmacist must have successfully completed an accredited prescribing programme.

A list of currently accredited prescribing programmes can be found here:
<http://www.pharmacyregulation.org/education/pharmacist-independent-prescriber/accredited-courses>

The following is a list of previously accredited pharmacist prescribing programmes.

Previously accredited pharmacist independent prescribing programmes:

Programme provider	Accreditation start	Accreditation end
City University	25 Mar 2011	end Mar 2014
University of East Anglia	12 Feb 2009	end Feb 2012
