

New standards for pharmacy professionals are now in effect

Find out more: www.pharmacyregulation.org/standards

Download the GPhC Standards app

Pharmacy professionals must:

-  provide person-centred care
-  work in partnership with others
-  communicate effectively
-  maintain, develop and use their professional knowledge and skills
-  use their professional judgement
-  behave in a professional manner
-  respect and maintain a person's confidentiality and privacy
-  speak up when they have concerns or when things go wrong
-  demonstrate leadership
