Dear Joanne,

Re; Interim Visit of the MPharm degree course at the University of Hertfordshire

Following our interim accreditation visit in February 2016 I am writing to you to formally acknowledge receipt of your letter dated 18th April 2016 and receipt of the final report from the visit. I would like to confirm that we accept your report as a true and fair record of the interim visit.

I am particularly pleased to note the statement that the Department of Pharmacy staff are enthusiastic, act as good role models and that the students appreciate the level of support provided to them by our staff.

We would like to take this opportunity to thank all of the General Pharmaceutical Council team for their most thorough and professional approach and for the manner in which the visit was conducted. It was a pleasure to work with the interim visit team and we are extremely grateful for the constructive advice and support offered during the event.

Yours sincerely,

Dr Matt Traynor
