Dear Philippa

**FORMAL RESPONSE TO THE GPhC RE-ACCREDITATION REPORT ON INDEPENDENT  
PRESCRIBING PROGRAMME, UNIVERSITY OF YORK**

Thank you for your letter dated 19 August 2016 advising that the GPhC Registrar, following submission of further evidence, has confirmed that our independent prescribing programme is fully accredited for a further period of three years until the end of May 2019.

We accept the re-accreditation record and report as a true representation of the re-accreditation event held on 24 February 2016.

On behalf of the Department of Health Sciences and the University of York, I would like to thank the General Pharmaceutical Council and the accreditation team for their advice and supportive approach throughout this process.

Yours sincerely

**Paul Galdas, PhD, RN**
